

POST-16

Post-16 provisions available at:

TCES **EAST LONDON**

TCES **NORTH WEST LONDON**

TCES **CREATE IN THE COMMUNITY**

TCES **NATIONAL ONLINE SCHOOL**

Post-16 pathways offer an exciting project-based curriculum, therapeutic input and essential independent living and career skills to students in years 12-14 with and without an Education, Health and Care Plan (EHCP).

We prepare students for adulthood by developing leadership skills in planning careers, future living arrangements, health, leisure, creative ventures and general life balance.

Core Subjects

Core Subject 1 – Maths

- Available from Functional Skills to GCSE
- At least 3 hours per week

Core Subject 2 – English

- Available from Functional Skills to GCSE
- At least 3 hours per week

Core Subject 3 – LIFE

Pupil Leadership, Independence, Future Options & Employability and Empowerment classes.

Core Subject 4 – Project-Based Learning (PBL)

Depending on the TCES school or service, students can choose from a range of subjects which include:

- Sports & Wellbeing
- Digital Media
- Creative Arts
- Beauty
- Enterprise and Entrepreneurship

As students work through their PBL subjects, they will achieve elements of qualification modules and have the opportunity to continue towards an accredited qualification. The list below gives examples of those they could achieve.

- BTEC Level 1 Qualification in Sports Leadership
- BTEC Level 2 Qualification in Community
- BTEC Level 1 & 2 in Creative Media Production
- Level 3 Animation & Digital Media – BTEC Level 3 in Art & Design Practice
